## 12. Additional Activities

# Constitution for ICU EI Salvador

12.1 The EI Salvador Project operates a sustainable engineering policy; each year's projects should undergo the following processes:

- Feasibility and Benefit Analysis.
- Project discussion with local N.G.O. REDES.
- Post Project Report by Team.
- Post Project Review and appraisal.

The successes and failures of each project should thereafter be critically assessed and categorized. Most importantly, suggestions for possible improvements should be documented and archived for future use. Development work does not only involve the physical and intellectual processes of designing and building the dwellings but includes many other aspects, such as the education of the local population to adapt their construction techniques to more seismically appropriate methods and showcasing the benefits of maintenance and the disadvantages of cost-cutting. The aim is to equip the EI Salvadoran workforce with the experience and knowledge to prepare them for future events

## **13. Constitution**

13.1 The Constitution shall only be altered by consent of two-thirds majority of the full members present at a general meeting. The Management Group shall approve any such alterations.

13.2 This Constitution shall be binding on the club officers and members, and all other constitutions are hereby revoked.

13.3 This Constitution has been approved in accordance with 13.1. above, and accepted as the Constitution for EI Salvador on 03/08/2013 by Oliver Garnett and Saber King
