Projects, Volunteering and the Website

A paper by the DPCS

Background

Changing the website to reflect the addition of Projects into the range of groups offered by the Union was discussed at the last meeting and the DPW and DPCS have discovered that there is no additional cost associated with changing the name of the Clubs & Societies tab to Activities. This would then incorporate Projects though the divisions within the page should direct people more appropriately than currently takes place.

Matters for decision

Resolve to change the name of the Clubs & Societies tab to “Activities” as soon as possible.

Resolve to grant CSB with CAG and RAG the power to approve the changes in structure in the new tab, including content.
