Imperial College Union  
**Council Report**  
*By Henry Whittaker, Deputy President (Clubs & Societies)*

**eActivities Features**

I have been working to get the following features created in eActivities.

- Management group committee meetings and minutes online. Management groups can now upload minutes and create meeting dates on eActivities. All the meetings can be seen here: <https://www.imperialcollegeunion.org/your-union/how-were-run/management-groups/>
- Booking equipment and the JCR. Club officers will soon be able to book equipment through a form on eActivities. This should improve the management of equipment bookings.
- Club Constitution editable positions. This is still in progress and will hopefully become live shortly. Club officers will be able to create new positions names freely instead of having to request them.

**New Projects Committee**

The new projects committee met via email to discuss the Imperial Co operative proposal. At this time a definitive decision has not been reached.

**New Clubs Committee**

The new clubs committee met on 19 March to consider four proposals; Australian, Kabaddi, LegoSoc and Raison Mentors. The Australian club have been placed into the new club incubator. The Lego Society was created on the basis they expand beyond Lego in the future. Neither Kabaddi or Raison Mentors attended the meeting.

**Club support**

I have been working with Anthony and Kate to target clubs who are low on membership with the aim of providing extra support. This has proved successful for some groups.

**Tours**

The process of recalling winter tour funds has started so that any unused funds can be reallocated for summer tours. I have now received tour reports from all of the clubs who received tour funding after a successful tour. The French society has delayed their tour until the summer term after complications. The clubs who received winter tour funding can be seen below.

Badminton (ICSM)	Exploration	Mountaineering

**Leave**

I took leave 8-12 May.
