7. Sub-committee appointments

Author(s): Christian Cooper — Deputy President (Clubs & Societies)

Purpose: To approve appointments to the CSPB sub-committees for the 2024/25 academic year.

Decision(s): To **approve**.

1. Overview

CSPB has three sub-committees:

The Activities Development Fund (ADF) provides funding for new/developing activity and unbudgeted successes for CSPs.

The Trips Fund provides funding from the ICTrust for core trips and tours.

The New Activities Committee approves the creation or closure of CSPs and supports their development.

Any member of CSPB may be on a sub-committee. It is recommended that no more than one sub-committee appointment should be held by any individual.

Each sub-committee requires 4-6 CSPB members. Each sub-committee may have no more than 1 representative from any one management group or constituent union.

2. Nominations

Nominations can be made via this form: <https://forms.office.com/e/38Ap8w9gFf>

CSPB is asked to consider the nominations made to the form during the meeting. Where nominations do not fill the required number of seats, nominations will be taken during the meeting too.

CSPB is asked to **approve** the appointments agreed during the meeting.
