10. WenHua Chinese Drama Society MG Change

Author(s):	Tom Gordon — Deputy President (Activities)
Seconder(s):	Jacky Wong — WenHua Chinese Drama President (2025/26)
Purpose:	To move the WenHua Chinese Drama Society from the Culture Management Group to the Arts&Entertainments Management Group
Decision(s):	To **approve**.

1. Context

WenHua Chinese Drama Society formed under the New Activities Incubator programme in 2023, graduating to the Cultural Management Group in 2024/25.

Their society webpage states that:

> *"We are a group dedicated to bringing Chinese Drama to the stages here in London",*

and within the "Additional Activities" section of their constitution, they state that they will run an "annual stage play".

The committee of WenHua Chinese Drama feels that they would be better placed under the Arts & Entertainments Management Group, who they believe will be able to support their core activity more effectively.

CSP policy states that:

> *"5.3 All CSPs must be a member of a single MG."*
> *"5.3.2 CSPB shall decide which MG a CSP is a member of."*

2. Proposed Changes

The following changes in management group are proposed.

CSP	Current MG	Proposed New MG
WenHua Chinese Drama Society	Culture	Arts & Entertainment

3. Recommendation

CSPB is asked to **approve** the proposed change outlined in section 2.
