Strategic Plan 2023-2028

Author(s): Tom Newman (Managing Director)
Clem Jones (Governance & Executive Manager)
Purpose: To provide new trustees with, and remind returning trustees of, the Union's strategic plan for 2023-2028
Decision(s): To note

1. Summary

New and returning trustees may benefit from a reminder of the Union's Strategic Plan. To avoid the paper pack becoming too large, a link to the Strategy on the Union's website is provided below, which has a full PDF of the strategy document near the bottom of the webpage. As this item is a starred item, it will not be discussed at the meeting (unless any trustees request it be 'unstarred' for discussion), but any questions would be welcome via email in advance of the meeting.

Currently the Union plans to begin development of the next organisational strategy in the academic year 2026/27.
