Appointment of Second Student Member of University Council 26/27

Author(s): Clem Jones (Governance & Executive Manager)
Purpose: To propose a candidate for appointment to the role of Second Student Member of Imperial University Council for the academic year 2026-2027
Action(s): To approve

1. Second Student Member of University Council

Fourteen individuals applied for this role, and following shortlisting five individuals were interviewed on 18 May 2026, with Nico Henry (Panel Chair), Stephen Richardson, and Yasmin Baker as panellists.

The panel considered all the applications and interview performances carefully. Final confirmation of the successful candidate being proposed to the Board of Trustees for approval is pending (we informed interview candidates that we would let them know the outcome by end w/c 18 May 2026), and the interview panel will announce the successful candidate to the full Board of Trustees either in email in advance of the meeting or verbally at the meeting, and the successful candidate's CV can be tabled for the Board of Trustees' information/consideration.

Board is asked to approve the proposed appointment of the individual named at the meeting as the second student member on University Council (alongside the Union President, who is an ex officio member of College Council). Board of Trustees should note that this proposed appointment is subject to ratification by the University Council's Nominations Committee in due course (next meeting due June 2026).
