Imperial College Union
Board of Trustees / 27 May 2026

ICL-ICU Partnership Agreement Annex 2 (Estates)

Author(s): Clem Jones (Governance & Executive Manager)

Purpose: To seek approval for an updated Estates SLA with the University

Decision(s): To approve

1. Recap

Board previously approved:

- An updated ICL-ICU Partnership Agreement at the July 2024 Trustee Board meeting
- Annexes to the Partnership Agreement in May 2025, excepting the Estates SLA Annexe

2. Estates SLA

At the time of approving the other Annexes, the University Estates Team lacked the necessary resource to provide a renewed Estates Service Level Agreement due to staff vacancies in their team.

Our Facilities, Health & Safety Manager has worked hard to pursue this, and we now have a refreshed Estates SLA to propose to Board for approval.

3. Next Steps

If the Estates SLA is approved by Board, the Partnership Agreement and all five annexes will then have been approved by ICU, and the next step is for approval on the University's side by the University Management Board. Once approved there, the Agreement will be updated on the ICU website.

4. Recommendation

Board is asked to approve the Partnership Agreement: Annexe 2 (Estates).
